Mark Vienna Memorial Award

IAABO Board 60 to Receive Vienna Award

Board 60 and CWGBO have partnered to raise over $250,000 to benefit the Rochester Ronald McDonald House

The Section V Boys' Basketball Committee considers itself fortunate to have partnered with all of the proud members of International Association of Approved Basketball Officials (IAABO) Board 60, to provide a safe and impartial environment for local athletes to excel. Its members have distinguished themselves for nearly a century both on and off the court as exemplary role models, dedicated to community service throughout Greater Rochester.

Board 60 began in Rochester in 1921. Their first title was "The Rochester District Board of Approved Officials of the National Board." At that time, most basketball officiating groups were associated with the YMCA, the AAU, and the NCAA. There were 38 members in the original board and members stretched from Syracuse to Niagara Falls. Current President Steve Polo is the 17th President of Board 60. There are currently over 200 members of Board 60.

Board 60 has long been recognized by IAABO for excellent training and education of quality officials who have moved onto successful college and professional careers. Among the noted officials from Board 60's are the legendary Pete Pavia as well as Section V Basketball Hall of Famers Tom Ward, Carm and Nick Urzetta, Sam Poletta, Mike Palermo, Larry Trippodo, Bob Parker, Gene Monje and Tom Emmauel. Board 60 is responsible for establishing a continuing training program for its varsity members. They established the foundations for the New York State Five Point Program, which emphasizes instruction and improvement through meetings, tests, and on the floor demonstrations.

As successfull as Board 60 has been in delivering services on the floor, that success pales in comparison to its accomplishments off the floor. Board 60 has been proactive in its efforts to recognize the efforts of schools and individuals for excellence on and off the court. They also have sought to promote the game of basketball to assist those less fortunate.

The Tom Emmanuel Scholarship - This is the 30th year that Board 60 has given the Thomas Emmanual Scholarship award. Over that span, Board 60 has donated a total of $28,000. The format was modified in 1989 to include a combination male/female winner. A total of fifty-five (57) worthy recipients from all of our represented leagues within Section V have been finalists and have had the opportunity to use these awards to pursue the continuation of their education.

The Ronald McDonald House AllStar Basketball Games- The All-Star Games were first founded in 1985 by Michael Palermo and Ric Hamblin, and were patterned after the nationally recognized McDonald's All-Star Game. During that time, Board 60 (Boys) and CWGBO (Girls) have volunteered their time in partnership to operate all facets of the Games

All proceeds from selling of game tickets and program advertisements, after expenses, are donated directly to the Rochester Ronald McDonald House Children's Charities.®. Since 1985, Board 60 has donated more than $250,000 as proceeds from the Games, including a record amount of $20,000 in 2016.

The Tom Emmanuel Sportsmanship Award - Board 60 created this award in honor of"The Dean of Section V Basketball Officials", Mr Thomas Emmauel. It was first awarded in 1976 to recognize those schools that the dispaly the highest ideals of dignity and sportsmanship. Schools are rated on three specific categories, players,coaches and spectators. Each year there are seven league winners recognized as well as an overall Section V winner. (The names of past winners can be found on page 33)

TIn recognition of their steadfast commitment to support the game of basketball, the Section V Basketball Committee proudly honors IAABO Board 60 as the 2017 Mark Vienna Memorial Service Award recipients. We are thankful for their selfless devotion to the student-athletes of Section V and the Greater Rochester community.

Previous Vienna Award Recipients: David Doyle ('94), Les Harrison ('95), Bill Farrell ('96), Gene Johnson ('97), Ted Woods ('98), Tony Alvaro ('99), Ed Nietopski ('00), Carl Carballada ('01), Mike Catalana ('02), Bob Cleeves ('03), Ted Hershey ('04) and Rochester Coca-Cola ('05), Ted Bondi ('06), Chuck Chadwick ('07), The Douglas Westcott Family ('08), John and Mike Doser ('09), Mike (Paz) Pazdyk ('10), Rich Frank ('11), Jeff Gifford ('12), Hank Burdick ('13), Dean & Nancy Licata ('14), Rod Verkey ('15), Denny & Joanne Small ('16)

Mark Vienna - An Inspiration to all.

Friends of Section V were stunned during the 1993 tournament to learn of the sudden passing of Committee member and long-time Section V friend, Mark Vienna.

Mark, who served a 29 year tenure as a teacher and coach at Nunda (Keshequa) and Irondequoit, retired in 1985, but continued to serve both the Football Committee and the Basketball Committee.

Somehow, the Boys' Basketball tournament will never be the same without his guidance and wisdom. For that reason, the basketball Committee has renamed the Section V Service Award to bear the name of a man who unselfishly gave of his time for the sake of local athletes. From now on, the award will be named The Mark Vienna Memorial Section V Boys' Basketball Service Award.

Sponsors Fund Scholarships for Section V Athletes

The Bruce Johnson Memorial Scholarship

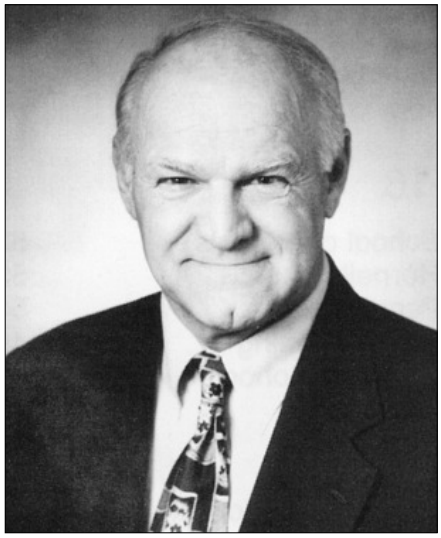
The Bruce Johnson Memorial Scholarship has been established as an ongoing tribute to long-time Section V Treasurer, Executive Committee Member and Friend, Bruce Johnson, who passed away July 30, 1998. The award is being underwritten again this year by Dean Licata and Associates.

Mr, Johnson was much more than a Treasurer. He was a coach, teacher and friend who dedicated thousands of volunteer hours to the youth of Section V. His quiet spirit, unselfish drive and dedication to community and athletes of Section V are the things we will remember and honor with the awarding of this scholarship.

The award is given annually to a senior Section V basketball player who is planning to enter an accredited college or university in the Fall to pursue a degree in business, or business education. Applicants must have a minimum academic average of 85%, involvement in community volunteer activities, a proven leadership record in his school and at least one year as a member of the varsity basketball squad.

Applications can be downloaded from www.sectionvbasketball.com and must be submitted according to the process printed on the application no later than February 20, 2017. The award will be presented at at a time to be determined.

The Douglas H. Westcott Memorial Scholarship Fund



Doug Westcott loved his chosen profession. As a physical education teacher and Athletic Director, he derived much satisfaction from his career. He loved working with youth, and spent endless hours beyond his profession as a volunteer for Section V, serving both the football and basketball communities. The last fourteen years of his life found Doug as a most capable leader of Section V Boys' Basketball, eleven of them as Chairman of the Basketball Committee. His sudden passing in November of 1999 left a void on the committee, and in the community and sport he loved. This scholarship will preserve the memory of a man who wanted the Section V Tournament to get better each year. It did under his leadership. Now Section V athletes will be able to receive financial help in continuing their education, in Doug's memory.

The Doug Westcott Scholarship will be presented to a Section V basketball player who is planning to attend an accredited college or university for the purpose of majoring in either physical education, sports management, or another related field. Point Sytem/Playoff Information

POINTS SYSTEM / PLAYOFF INFORMATION

Since Section V conducts an open tournament, with 117 schools participating, nine classifications have been developed. Points are assigned to each team for winning or losing each game played. This point system leads to the seeding in each of the nine classifications. (see chart in second column). After Section Champions have been determined, playoffs will be conducted to determine Section V's five representatives to Regional and State Play-offs.

It is also possible for teams in Section V to elect to play a 20 game schedule. However, not all teams plan to do so, and as a result, an adjustment in seeding will take place to account for the varying number of games played by the 117 teams.

A point average will be prepared for each team, dividing the total number of points earned, based on the chart to the right, by the actual number of games on which the seeding positions will be based.

PLEASE NOTE: For purposes of seeding, games played through and including February 16 will be counted in the points total. Any games played after that date will not be counted.

Seeding results will be announced during the annual Coca-Cola/ Premier Sports Seeding Banquet on Friday evening, February 17th.

In the event of ties, the following criteria will determine the higher seed: (1) total number of points; (2) overall record; (3) the team with the best winning percentage within their own league will receive the higher seed. In the event that a non league independent team is tied with a league team, the advantage of the higher seed will go to the league member team; (4) toss of coin. If ties exist between or among teams which have played a different number of games during the regular season, teams which have played the most games will be seeded higher. After seedings have been announced at the banquet on February 17th, they are subject to change if errors in the seeding points are discovered within the following 24 hours. After the 24 hour time period, no changes will be made.

Since only five classifications exist for state tournament play (AA, A, B, C, D), compared to nine classes in Section V, play-off games will be played to determined the five Section V representatives. Teams moving on to state tournament competition must be sectional winners. If two sectional winners fall within the same state classification, a play off game will be held. In each playoff game, the home team shall be the team representing the larger classification.

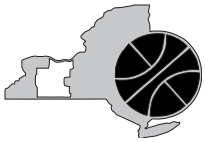
Regional Playoffs



Who Qualifies?

Regional playoffs are designed to produce automatic representatives to the New York State Championships. Since New York State crowns five team champions in Classes AA, A, B, C, and D, it is necessary to determine which of the nine Section V Champions will represent Section V in the Western Regional Playoffs, with representatives of Section VI from the Buffalo region. To determine the teams representing Section V in the Regionals, the following Regional Qualifier procedure will be used:

1. The A1 and A2 Sectional Champions will play at Wednesday March 8, at a site and time to be determined to decide which team will represent Section V in this year's Class A Regional Playoffs.

2. Due to the fact that there are three Class C Sectional Champions,the Sectional Champion with the highest seeding percentage will receive a bye. The two remaining Class C Champions will play on Monday March 6. The winner of this game will play the team drawing the bye on Wednesday March 8, at Victor HS to decide which team will represent Section V in this year's Class C Regional Playoffs.

3. The D1 and D2 Sectional Champions will play on Wednesday March 8, at a site and time to be determined to decide which team will represent Section V in this year's Class D Regional Playoffs.

4. In all Regional Qualifier games, the home team will be the team representing the larger classification.

Coca-Cola/Premier Sports Seeding Banquet

Coca-Cola/Premier Sports Seeding Banquet Scheduled for February 17th

The 96th tournament season in Section V Basketball history will tip of with the Annual Seeding Banquet, to be held at the Burgundy Basin Inn, Friday evening, February 17, 2017. Following a soft drink reception at 6:15, the banquet is scheduled to begin promptly at 7:00 p.m.

Rochester Coca-Cola and Premier Sports will once again team together to sponsor the banquet. This will be the 45th year of sponsorship for Coca-Cola, who joined the Section V team of sponsors in 1972, and has been a loyal supporter ever since. Premier Sports will enter its 21st year as a sponsor of the banquet. Without the generous contributions of these two partners, and others who sponsor other phases of the tournament, many extras provided for the participants would not exist.

The banquet will once again be open to the public. Representatives from each of the nine Number One Seed teams will attend, and many whole teams will be in attendance. Tickets are available to Booster Clubs, parents and the general public, and may be obtained by making reservations with Dennis or Joanne Small, Section V Banquet Coordinators, (585) 746-9578. Tickets are $25 each.

Among the evening's highlights will be the presentation of the nine Coca-Cola Number One Seed Awards to the top seed in each of the tournament's nine classifications. Coaches and players will accept the plaques for their schools and briefly speak concerning their team's season and the upcoming tournament.

2016 Number One Seed Awards were presented to:

Class	School	Coach

B2	North Rose -Wolcott	Brian Hoyt
C1	East Rochester	Mark Michele
C2	Northstar Christian	JJ Garwood
D1	York	Ed Orman Jr.
D2	Elba	Ciaci Zambito

All pairings for the first round of the tournament will be revealed for what has become recognized as one of the premier scholastic tournaments in the state. All 117 member schools will participate, regardless of record, in a tournament which will feature 108 games in ten nights of competition for the chance of becoming Champions of one of the nine classifications. The nine winners will move a step closer to a State Championship.

Additionally, the winners of the Tom Downey Memorial Birkett Mills Coach of the Year Awards will be introduced and presented with their plaques. Each year balloting is conducted among the coaches, making the award a significant endorsement by the winners' peers.

Ed Orman Jr. of York the Class D1 2016 Tom Downey Memorial Coach of the Year is congratulated by Jeff Gifford of the Birkett Mills and Section V Chairman Jack Purificato

The 31st Annual Birkett Mills Brunch Scheduled for March 2nd

One of the highlights of the annual tournament takes place this year when the number of 117 participating teams has been reduced to 18. There is a rare day off from the hardwood, and the two finalists from the 9 classifications gather at the Burgundy Basin Inn for the Coaches and Players Finalists Brunch. The event is sponsored by The Birkett Mills of Penn Yan, which has been the sole sponsor of this classy event since 1987. This year's finalists' celebration will take place March 2nd *(Attendance is by invitation only.)*

The program, emceed by 13WHAM-TV's Mike Catalana, will include introductions of the coach and team representatives from each of the eighteen finalists, who will be given the opportunity to offer his views on the upcoming championship game and reflect on the season and tournament for their individual teams.

Another highlight of the evening will be the presentation of the Mark Vienna Memorial Section V Boys' Basketball Community Service Award (See page 1), named in honor of Mark Vienna, long-time committee member, who gave many years of leadership and expertise to Section V Athletics in general and Boys' Basketball in particular. This year's recipients are the members of IAABO Board 60.

Following the brunch, there will be opportunities for a photo shoot and interview session for any media in attendance.

Section V Boys' Basketball has been blessed with many loyal sponsors. The Birkett Mills it enters its 31st year of faithful sponsorship of Boys' Basketball. It remains the second longest uninterrupted sponsorship tenure for our tournament. They were inducted as the third corporate member of the Section V Basketball Hall of Fame in 2005 in recognition of their loyal support.

The Boys' Committee extends its sincere gratitude to our friends from the Finger Lakes and the entire staff of The Birkett Mills. Thanks for supporting our athletes and for helping us make the annual tournament a memorable experience for the players.
