

Section V Basketball and Lattimore Physical Therapy Announce New Partnership

Section V Basketball is pleased to announce a new multi-year partnership with Lattimore Physical Therapy & Sports Rehabilitation. Lattimore will begin serving as the premier sponsor of the Section V Basketball Hall of Fame. They will also be a sponsor for the Boys' and Girls' Section V Basketball Tournaments beginning with the 2018 Championships at the Blue Cross Arena in March.

As the Rochester area's largest physical therapy provider Lattimore Physical Therapy & Sports Rehabilitation has 22 clinics throughout Monroe, Ontario, Livingston, and Steuben Counties. "As an organization whose main goals include promoting lifelong exercise as well as health and wellness, partnering with Section V is an amazing opportunity for us. We are honored to be able to give back to the local community in this manner. We look forward to sponsoring such a great tournament for local student-athletes and the Hall of Fame honoring Section V alums" said Lattimore PT co-owner Tim Anne.

Section V Boys' Basketball Chairman Jack Purificato stated that, "The Section V Basketball Hall of Fame is a tribute to the many fine players, coaches and contributors who have created its rich history. We are grateful to Lattimore Physical Therapy & Sports Rehabilitation for generously assuming the sponsorship of the Hall. We are also thrilled they will be partnering with our Boys' and Girls' Basketball Committees to promote our annual Sectional Tournaments. Their commitment to the community is exceptional."
